*Please come see us
and let us make your
next event magical!*

The world's energy needs are growing. And we're growing to meet them.

Traded on the NYSE & TSX: WLT
3000 Riverchase Galleria, Suite 1700 • Birmingham, Alabama 35244

Walter Energy is the world's leading, publicly traded "pure play" metallurgical coal producer for the global steel industry. The Company also produces steam coal and industrial coal, anthracite, metallurgical coke and coal bed methane gas. Walter Energy has more than 4,000 employees in Alabama, West Virginia, British Columbia and Wales.

Walter Energy Operations

- 15 coal mines in three countries including Jim Walter Resources, the world's leading producer of clean-burning Blue Creek Coal.
- Walter Coke, a major manufacturer of coke for use in blast furnaces and foundries.
- Walter Minerals produces metallurgical, steam and industrial coal for domestic markets.
- Walter Black Warrior Basin operates more than 1,300 wells in West Alabama.
- Black Warrior Methane Corp. operates over 400 gas wells in Tuscaloosa County.
